

STATE PLAN ONLINE SUBMISSION

CARL D. PERKINS

CAREER & TECHNICAL EDUCATION ACT OF 2006

(PERKINS IV)

U.S. DEPARTMENT OF EDUCATION • OFFICE OF VOCATIONAL AND ADULT EDUCATION

The Office of Vocational and Adult Education (OVAE) has developed a State Plan Online Submission System as a way for states to enter their state plans under the Carl D. Perkins Career and Technical Education Act of 2006 (Act), 20 U.S.C. 2301 et seq. as amended by P.L. 109-270. Sections 122(a)(1) and 201(c). Each eligible agency desiring assistance under Titles I and II, respectively, for any fiscal year is required to prepare and submit to the Secretary, a state plan for a 6-year period, except that, for the fiscal year following the enactment of the Act, each eligible agency could fulfill its obligation by submitting a 1-year transition plan. In 2008, each state submitted a 5-year plan. Accordingly, this year, each state needs to submit a cover letter, any planned revisions, their 2011-2012 budgets, and their proposed performance levels for 2011-2012 and 2012-2013, as explained in the [2011 guidance instruction memo](#).

Webinar Training Sessions will be offered to State Directors to introduce this year's State Plan Online Submission System and answer any technical questions that may arise in entering their state plans. A 1-hour Webinar Training Session will be offered at four different times in February 2011. Participants may choose the session that is most convenient, depending on space availability. Space is limited to the first 15 participants who sign up on a first-come, first-serve basis in each session. In order to best accommodate all participants, we would like to suggest that both secondary and postsecondary, whenever possible, participate from the same site. This helps address the limited number of lines and provides an opportunity for collaboration.
